This License Agreement (LICENSE) is a legal agreement between you (either an individual or a single business entity) and the manufacturer, Nonlinear Ideas, Incorporated (NLI) for the software product identified above, which includes computer software, source code, documentation, and associated media (SOFTWARE). By purchasing, installing, and using the SOFTWARE, you agree to be bound by the terms of this LICENSE. If you do not agree to the terms of this LICENSE, do not purchase, install, or use the SOFTWARE.

The SNMP MIB Parser Demo (PARSER DEMO) is distributed as a Dynamic Link Library (DLL), along with a library file for compiling against, and a header file containing definitions of the function interfaces to the library. This version of the DLL (derived from the SNMP MIB Parser) has a time limit of seven (7) days, after which time it will cease to function. It is also limited in that it will only allow the user to interrogate it for the first fifty (50) OID nodes it contains. The SOFTWARE also includes the source code for the SNMP MIB Parser Demo (DEMO CODE) application.

This LICENSE is broken into three sections. The first section, SOFTWARE LICENSE, defines the legal agreements for the entire SOFTWARE distribution, INCLUDING the PARSER DEMO and the DEMO CODE. The second section, PARSER LICENSE, defines the legal agreements for the PARSER DEMO. The third section, DEMO CODE LICENSE, defines the legal agreements for the DEMO CODE. The SOFTWARE LICENSE agreements

You agree to take all necessary steps to ensure that the provisions of this agreement are not violated by you or by any person under your control or in your service.
3. **EXPORT RESTRICTIONS.** You agree that neither you nor your customers intend to or will, directly or indirectly, export or transmit (a) the SOFTWARE or (b) your

APPLICATIONS or service that is the direct product of the SOFTWARE, to any country to which such export or transmission is restricted by any applicable U.S. regulation or statute, without the prior written consent, if required, of the Bureau of Export Administration of the U.S. Department of Commerce, or such other governmental entity as may have jurisdiction over such export or transmission.

6. CUSTOMER REMEDIES. NLI's and its suppliers' entire liability and your exclusive remedy shall be, at NLI's option, either (a) return of the price paid, or (b) repair or replacement of the SOFTWARE that does not meet the stated intent of the product.
7. SUPPORT SERVICES. NLI may provide you with support services related to the SOFTWARE (SUPPORT SERVICES). Any supplemental software code provided to you as part of the SUPPORT SERVICES shall be considered part of the SOFTWARE and subject to the terms and conditions of this LICENSE. With respect to technical information you provide to NLI as part of the SUPPORT SERVICES, NLI may use such information for its business purposes. NLI will not utilize such technical information in a form that personally identifies you. NLI will not transfer information to a third party, except government agencies, and then only after the due process of law has been followed.
8. TERMINATION. Without prejudice to any other rights, NLI may terminate this LICENSE if you fail to comply with the terms and conditions of this LICENSE. In such event, you agree to destroy all copies of the SOFTWARE.

BECAUSE SOME STATES AND
